Borrowers are required to keep the books clean. They are not to turn down or stain the leaves, nor to make pencil or other marks upon them. They must take the earliest opportunity of reporting any damage or injury done to the books they receive, otherwise they will be held responsible for the value of the same.

REVISED VILLAGE DIRECTORY

OF THE

North-Western Provinces and Oudh,

VOLUME XXIII.

~~~~~  
J A L A U N.  
~~~~~

Compiled by the Postmaster-General, North-Western Provinces and Oudh.

Allahabad:

PRINTED AT THE NORTH-WESTERN PROVINCES AND OUDH GOVERNMENT PRESS.

—
DECEMBER.

1899.

P R E F A C E.

THE preparation of the Village Directories of the North-Western Provinces and Oudh was originally undertaken at the request of the Local Government, and they have been compiled on the model of the Directory prepared in Bengal. Great care has been taken to render them as complete and correct as possible, but as there must be many defects in the first editions of such works, I shall be glad to receive corrections, accompanied by full particulars of any village respecting which a mistake or omission may be discovered in this volume. Whenever any change is made in the service of a village, owing to creation or abolition of a Post-Office, the Superintendent of Post-Offices concerned will communicate the alteration to all the Post-Masters in the District, and to the District Officer.

It is hoped that with the aid of this Directory considerable improvement will be effected in the delivery of letters, which may be addressed to petty villages in the mofussil, without any indication of the *thána* or *tahsíl*, and that the sorting of letters for village offices will be more correctly performed than hitherto.

W. J. HAM,
Postmaster-General, N.-W. P. and Oudh.
